## Server and Storage RFP Revision #3

Summit Academy announces revisions to its Server and Storage RFP that was originally posted on 4/3/2020.

### **Revised RFP Requirements**

This revision aims to streamline and simplify the bidding process, by revising the requirements of Appendix E. Bidders will only need to complete a single section in the contract pricing form, instead of breaking out the prices of each component individually.

The Revised Appendix E is as follows:

**Appendix E. Contract Pricing Form for the Server and Storage Solution**

**a. Contract pricing for the server and storage solution.**

Storage has \_\_\_TB usable storage and \_\_\_ IOPS.

Switching solution has \_\_\_ number of switches which have combined total of \_\_\_ 10G ports.

Hardware \$\_\_\_\_\_

Software \$\_\_\_\_\_

Installation and configuration support cost \$\_\_\_\_\_

Five years of annual maintenance \$\_\_\_\_\_

Training \$\_\_\_\_\_

Total Price \$ \_\_\_\_\_

**Authorized Representative**

Signature \_\_\_\_\_ Date \_\_\_\_\_

Name \_\_\_\_\_

Title \_\_\_\_\_

Email Address \_\_\_\_\_

Telephone Number \_\_\_\_\_ Fax Number \_\_\_\_\_

**All other requirements issued in the RFP dated 4/3/2020 remain the same and have not changed.**
