SUMMIT ACADEMY TRANSITION HIGH SCHOOL – COLUMBUS

DIRECTOR'S MESSAGE

Dear Friends,

This has been a trying year in many aspects. We are in the middle of a pandemic and students and teachers had to quickly move to online learning. I thank my families and teachers for their hard work. Our teachers came up with creative ways to teach our students and our families worked hard to provide education to their children. We were truly grateful for our management company allowing the students to have Chromebooks this school year. It was a huge help for our students and teachers.

Our students were able to complete their district and statewide testing. Students were able to come into the school to complete their state testing. Districtwide testing was done on the students' Chromebooks. I would like to thank our special education department for their help in ensuring that IEP/ETR testing was complete. Our teachers, Interventions Specialist and Regional Special Education Director worked as a team to make sure we stayed in compliance this school year.

We look forward to going back to in person learning in the coming school year.

Sincerely,

Trina Moore
Principal

SCHOOL HIGHLIGHTS

Our school year started with students on remote learning. We were able to hand out Chromebooks and hotspots for all our students who needed them. This made learning easier for students and staff. Our teachers used Google Classroom for assignments, discussions, and feedback for the students. Classrooms used games for the students to play to enjoy learning such as Kahoot, GeoGuessr, Khan Academy, and many more. Teachers were able to give assistance to struggling students every Wednesday. Each teacher had office hours during which students could receive more assistance on their work. Our sponsor, Buckeye Hope Foundation, provided training on virtual learning for our staff to understand new strategies they could use during their lessons.

Our staff had professional development from Staff Development Educators. Our trainer was Dedra Stafford. She worked with us on classroom management, online learning, resources to assist teachers in the classroom and the jigsaw strategy. Our sponsor provided professional development on poverty and the student population. The special education department provided training on disproportionality. This is an area our school continues to work on along with our regional special education director. We ended our year with leadership training from Melissa Dickson on our 2021/2022 school year academic plans. It was an informative training and we left with a focus on detailed lesson planning and data-driven strategies. Buckeye Hope Foundation had a leadership training as well. We learned about working with our special needs and minority population. Our administrative team worked on ways to help students with their academics and district testing when students return.

Even though we are in a pandemic we had several activities for the students. We hosted a cooking and survival class online for all classes. We invited parents to join us. In class students learned how to make wings and pancakes. We provided them with the ingredients to make the dishes at home as a family. The survival kit included sanitizer, gloves, water, and community resources that families could use. We hosted a family night for the school. We had a speaker (Kenston Henderson Jr.) and he spoke to our families about diversity, inclusion, and equity. The speaker was online, but prior to the presentation we allowed our families to come to the school and get dinner and pick up school supplies (markers, white boards, pens, pencils, and notebooks).

Our school decided to bring students back in March in a hybrid model. Students had a choice as to whether they wanted to remain remote or come into the building. We had students in-person learning two days a week from 10 a.m. to 4:30 p.m. Our school provided an Extended Learning Opportunity for the students to receive help in math and reading. The Extended Learning Opportunity was held after school. We had 20 students who attended in-person learning. Our teachers felt it was easier having the students back in the building. It was exciting to see all our students.

Our senior class graduated on May 19, 2021. We had 13 graduates. Two graduates were certified at Columbus Downtown Career Center in counseling and construction. Our valedictorian plans to attend technical school and the salutatorian will attend a technical school to work on his acting skills. We are so proud of our seniors. Several are

planning to go to college, trade school, or get a job in their chosen career path. We ended our year with a picnic for our families on the last day of school. We had games, food, and many other activities for the families.

SPONSOR STATEMENT ON COMPLIANCE:

Ohio Revised Code (ORC) 3314.03(D)(2) specifies that the sponsor of the school must “monitor and evaluate the academic and fiscal performance and the organization and operation of the community school on at least an annual basis.”

Buckeye Community Hope Foundation (BCHF) bases its evaluation of school performance on each of the State required indicators and performance measures listed in the charter contract. BCHF monitors the performance of the community school thru attendance at board meetings, bi-monthly visits to the school, monthly reviews of financial reports and quarterly reviews of academic progress reports along with a number of other reports relative to the school's performance. Buckeye Community Hope Foundation served as the sponsor for Summit Academy Transition High School - Columbus during the 2020-2021 school year and found the school substantially compliant with the rules and regulations governing community schools and continually improving compliance in academics.

All community school sponsors are required to submit a written report of the evaluation results of the school's academic, financial, and organization performance as well as the school's legal compliance to the Ohio Department of Education and make the report available to parents of students enrolled in the community school. As such, an Annual Report regarding the performance of this school and other schools under the sponsorship of Buckeye Community Hope Foundation will be posted on our website www.buckeyehope.org, no later than November 30, 2021.

ACADEMIC PERFORMANCE

Every September, the Department of Education releases the "Local Report Card" for each school and district in Ohio. The Local Report Card measures how well students performed as measured by the state's performance standards. Due to the COVID-19 pandemic, state testing was not performed for the 2020-2021 school year. This means the majority of the Local Report Card data for the school is not reported. The School's performance against the standards including the applicable report card measures follows.

LOCAL REPORT CARD PERFORMANCE (STATE STANDARDS)

The School's performance reflected on the Local Report Card (State Standards) includes the following components: Overall School Grade; Achievement; Progress; Gap Closing; Graduation Rate; Improving At-Risk K-3 Readers; and, Prepared for Success. An analysis of the school performance for each component follows.

Overall School Grade

The State began reporting an overall school grade beginning with the 2017-2018 school year.

	2017-2018	2018-2019	2019-2020	2020-2021
Overall School Grade	F	F	NR	NR

Achievement

The Achievement component represents the number of students who passed the state's proficiency tests and how the students performed on the tests. The Achievement Component is comprised of two measures; Performance Index and Indicators Met. The Performance Index measures the test results of every student. The Indicators Met measures the percent of students who have passed state tests. Tests are reported for each student if a grade in subject. The state standard is for a school to achieve an 80% passage rate.

Achievement	2017-2018	2018-2019	2019-2020	2020-2021
Component Grade	F	F	NR	NR
Perform. Index (Pts.)	37.3	41.8	NR	41.1 NR
Indicators Met (%)	12.5	0	NR	0/0 NR

Progress

The Progress component looks closely at the growth that all students are making based on their past performances and end-of-course exams. A rating of "C" indicates that students generally achieved a full year of growth during the prior school year. Ratings of A or B indicate students achieved more than a full-year of growth and ratings of D or F indicate students did not achieve a full-year of growth during the prior school year.

Progress	2017-2018	2018-2019	2019-2020	2020-2021
Component Grade	C	F	NR	NR
Value Added (Overall)	D	F	NR	NR
Value Added (Gifted)	NR	NR	NR	NR
Value Added (Lowest 20% in Achievement)	C	F	NR	NR
Students' w/ Disabilities	C	F	NR	NR

Gap Closing

The Gap Closing component shows how well school are meeting performance expectations for the most vulnerable populations of students in English language arts, math, and graduation.

Gap Closing	2017-2018	2018-2019	2019-2020	2020-2021
Component Grade	F	F	NR	NR
Annual Measurable Objectives (%)	19.2	9.0	NR	NR

Graduation

The Graduation Rate component looks at the percent of students who are successfully finishing high school with a diploma in four or five years.

Graduation	2018-2019	2019-2020	2020-2021
Component Grade	F	NR	NR
4-Year Rate	70.6%	41.7%	80%
5-Year Rate	36.7%	80.0%	90%

Improving K-3 At-Risk Readers

The School does not serve Grades K-3.

Prepared for Success

The "Prepared for Success" component looks at how well-prepared Ohio's students are for future opportunities by looking at the number of students earning remediation free scores on all or part of the ACT or SAT, earned an honor's diploma, and/or earned industry credentials.

Prepared for Success	2017-2018	2018-2019	2019-2020	2020-2021
Component Grade	F	F	NR	NR

* The Ohio Auditor of State audited the financial statements of the school as of, and for the year ended, June 30, 2020. The Auditor's report dated April 1st, 2021 indicated that the financial statements were fairly presented in conformity with accounting principles generally accepted in the United States of America. The report is available at the Auditor's website or through Summit Academy Management. The audit as of, and for the year ended, June 30, 2021 is in process. Due to the implementation of GASB 68, the school shows a negative Net Asset amount for fiscal year end. As of the date of the annual report, the GAAP financial statements have not been prepared, therefore, total assets and liabilities remain the same as the prior year.

GOVERNING AUTHORITY RESOLUTION
November 10, 2021

RESOLUTION APPROVING SCOTT PITTMAN AS FISCAL OFFICER

WHEREAS, the Governing Authority of the School has entered an operator agreement with Summit Academy Management ("SAM"); and

WHEREAS, among other things, the Operator Agreement specifies that SAM will provide a Fiscal Officer; and

WHEREAS, pursuant to R.C. 3314.05, the Governing Authority of the School has adopted a resolution waiving the requirement that it is the party responsible for employing or contracting with the designated Fiscal Officer and has approved Michael Boland, of SAM, to be the School's designated Fiscal Officer; and

WHEREAS, Mr. Boland passed away suddenly and unexpectedly; and

WHEREAS, SAM has engaged the services of Scott Pittman, a licensed treasurer, to serve as the Fiscal Officer, and the Governing Authority desires to approve Mr. Pittman as the School's Fiscal Officer effective September 20, 2021.

NOW, THEREFORE, BE IT RESOLVED, by the Governing Authority that:

Section 1: The Governing Authority waives the requirement that it is the party responsible for employment or contracting with the designated Fiscal Officer.

Section 2: Pursuant to R.C. 3314.05(A) and effective September 20, 2021, the Governing Authority approves Mr. Scott Pittman to be its designated Fiscal Officer.

Section 3: It is hereby found and determined that all formal actions of this Governing Authority concerning and relating to the adoption of this resolution were adopted in an open meeting of the Governing Authority, and that all deliberations of this Governing Authority and any of its committees that resulted in such formal actions were in meetings open to the public, in compliance with all legal requirements including Section 121.22 of the Ohio Revised Code and any amendments thereto.

Signed:

Governing Authority President/Representative

FY19 & FY20 amounts are taken directly from previous 5-Year Forecasts

FY21 amounts are based on the FY21 YTD June Financials

FY22 amounts are based on the FY22 budget.

The school classifies federal and state grant reimbursements as nonoperating receipts; however, the disbursements related to these receipts are classified as operating disbursements. This gives the appearance disbursements exceed receipts until the nonoperating receipts (federal and state grants) are considered.

Operating and non-operating revenues for FY23 through FY26 are based on a 1% projected increase year-over-year.

Operating and non-operating expenses for FY23 through FY26 are based on a 3% increase in year-over-year.

The school has no debt.

Purchased services include salaries and wages, as all employees for the school are employees of the management company.

The management company for the school is Summit Academy Management and the Management Agreement is 100% pass-through.

The Treasurer for the school is Scott Pittman

Learning Without Limits

I. Curriculum

We started the school year off with a series of professional development opportunities for all Summit staff. This included a District Leadership Team meeting with principals and administrative assistants, orientation training for new staff, and a training session for instructional coaches. The curriculum team also led a 2-day virtual conference for all staff. There were a variety of topics offered from multiple SAM departments. The training sessions were recorded for those that could not attend. The curriculum team did a great job of organizing the event and provided useful information to our staff. Part of the all-staff training was the introduction of the Reading Framework Year 2 initiative. This is a three-year plan created by the curriculum team to ensure that the science of reading is being implemented with fidelity. All schools created a Reading Framework Action Plan, outlining the goals and action steps to ensure that reading instruction is taught across all grade levels and content areas. Jessica Hahn is joining the curriculum team to lead the implementation of the Reading Framework Initiative.

Additionally, the Ohio Department of Education has introduced the Ohio Teacher Evaluation System (OTES), 2.0. All school principals were required to recertify in alignment to the new requirements. The updated model includes the analysis of high-quality student data aligned to student needs. There is also a Professional Growth Plan (PGP) that asks teachers to complete a self-assessment that identifies strengths and areas for growth to be discussed throughout the school year. The PGP offers individualized professional growth to our staff. The curriculum team is supporting schools through this process. With OTES 2.0 in place, the curriculum team (led by Mari Dew) created an instructional coach feedback system that is aligned to the Ohio Teacher Standards and mirrors the OTES 2.0 framework.

The curriculum team is also supporting the completion of sponsor required Performance and Academic goals. This requires our building leaders to review and analyze their state report card data and school specific data to identify the progress expected by our students and staff. An important piece of data we use consistently, district wide is Renaissance Star assessments for both reading and math, K to 12. Students are benchmarked three times each year and the data is tracked by both school personnel and district team members. After fall benchmarking for reading, 16.7% of students are at/above benchmarking, 11.3% are on watch, 19.7% require intervention, and 52.3% require urgent intervention. In math, 17.4% of students are at/above benchmarking, 12.3% are on watch, 24.1% need intervention, and 46.2% require urgent intervention. This data confirms the need to continue our implementation of the multi-tiered system of supports (MTSS) instructional framework. This model requires teaching staff to provide core instruction aligned to the Ohio Learning Standards to all students and intervention aligned to the students' foundational deficits. The curriculum team and special education team have been in collaboration on the implementation of this framework providing professional development and support.

II. Human Resources**HR Department Staffing**

- We extended an offer of employment for HR Generalist to replace a position vacated in August. The new employee is an internal candidate and she will be transitioning from her current position through 11/15/21 when she will be promoted.
- We are screening candidates for a Receptionist/Assistant and hope to have this position filled by 12/1/21.

Recruiting

- Our challenges hiring are consistent with what's happening nationwide. We have enhanced our recruiting efforts with direct subscriptions to job boards and posting sites. There are currently 90 positions open throughout the organization.

Health Benefits

- We switched carriers from Medical Mutual of Ohio to Anthem and open enrollment was completed in mid-September.

Workers' Compensation

- Our claims experience is increasing due to student behaviors that are leading to injury. It's too early in the school year to predict a total number; future updates will provide additional information.

HR School Support Efforts

- In October and November, the HR Department will visit at least of seven schools. Our goal for the current school year is to visit each building three times. HR associates are reaching out to see how we can be of assistance with employee motivation and support. The HR Generalists will implement a weekly call program to talk with every building director at least weekly (this will begin in November).

III. Facilities

Akron Middle/Secondary

- New parking lot
- Exterior brick wall repaired and partially replaced at Akron Middle/Secondary

Parma

- New roof project has been completed

Several schools received new air conditioning units both portable and permanent.

Columbus Schools

- Exterior/interior cameras were installed along with impact resistant tinting on exterior windows

IV. Finance

Summit Academy Management welcomes David Hoskin as assistant treasurer and Logan Keefe as staff accountant to its Finance Department.

Hoskin comes to Summit Academy with 17 years of experience collectively as the Treasurer/ Chief Financial Officer for major school districts including Brooklyn City School, Ravenna City Schools and Cuyahoga Falls City Schools. He launched his career as the treasurer for Newbury Local Schools where he served in that role for more than eight years. Prior to his roles as a Treasurer/CFO he served 10 years as an Executive Director for a multi-state media company.

Logan Keefe joins Summit Academy after recently earning his Ohio Department of Education School Treasurer License. He is a two-time graduate of The University of Akron where he earned a Bachelor of Science and Master of Science, both in mathematics.

V. Food Program

Pandemic EBT funds will continue for any students who are quarantined due to COVID-19. This program continues to provide funds for any days the student may have missed the opportunity to receive school breakfast and lunch. Disbursement of funds will be coming in the next month. This program will continue through May 2022.

All school will continue to receive free lunches through the "Seamless Summer Option" for the 2022 school year due to the pandemic. This has been especially helpful to our Cincinnati THS school who normally provides free lunch only to those who qualify. We thank USDA for this opportunity to serve more of our students.

On a related note, Gretchen will be transitioning out of her role as Food Service Coordinator and moving into Human Resources as a Generalist. She will continue her duties as FSC in the next few months.
