

After School Voice Lesson Club, 2021-22

Welcome to another great school year! This year, we will be starting a new music club called Studio SOAR. Studio SOAR will meet after school on **Tuesdays and Fridays, 2:15 – 3:30 p.m.** in room 112 with Mr. Smith.

This club is for students who want to take voice lessons. Each day will be split into 4 parts: three, 20-minute lessons and one, 15-minute integrated studio class Mr. Smith. During that time, the teacher will focus on one individual student per lesson, teaching singing techniques through vocal warmups. They also will learn vocal repertoire ranging from popular music to classical art songs. At the end of the sessions, students will get the perform and listen to other singers demonstrate techniques that they would have learned that day.

Select students in Studio SOAR will have the opportunity to perform at school concerts as well as other venues, including solo singing competitions, such as OMEA Solo and Ensemble Competition. Of course, any extra trips will be decided based on the trend of COVID-19 as well as the behavior and performance of our students. I will keep you posted with information as the school year proceeds.

RETURN THIS PERMISSIONS SLIP BY SEPTEMBER 24th, 2021.
