ANNUAL PERFORMANCE REPORT Summit Academy Community School for Alternative Learners – Lorain

The ESC of Lake Erie West Community Schools Center is a student-centered authorizer of charter schools, advancing quality educational opportunities throughout the state of Ohio. Every year, the ESC of Lake Erie West (ESCLEW) produces an Annual Performance Report for each sponsored community school. The report provides an overview of the school and a summary of its performance in academics, non-academics (fiscal and organizational/operational), and legal compliance over the current contract term. The report also identifies the school's strengths, areas for improvement, and prospects for renewal.

As an Ohio community school authorizer, ESCLEW has a duty to monitor and provide oversight and technical assistance to all sponsored schools which includes an assessment of each sponsored school's academic performance. Due to a lack of academic data, ESCLEW was unable to complete its assessment of the academic performance of its sponsored schools for the 2020–21 school year. Due to changes in the data and reporting on the Ohio School Report Card, ESCLEW was unable to complete its assessment of the academic performance of its sponsored schools for the 2022–23 school year academic performance data is displayed separately from the previous year's academic performance data for ease of review.
