

2022 - 2023

ANNUAL REPORT

SUMMIT ACADEMY SCHOOL FOR ALTERNATIVE
LEARNERS - CANTON

Summit Academy
SCHOOLS

DEAR FAMILIES

The 2022-2023 school year was an amazing one here at CANELE, packed with academic and social emotional successes, partnerships in the greater community, family engagement nights, field trips, extended learning opportunities, and engaging school events. We kicked off the year by participating in the Pro Football Hall of Fame Enshrinement Festival Canton Repository Grand Parade and won an Exceptional Merit Award for our float, which was indeed a sign of good things to come!

A great success in our building was the full implementation of the Multi-Tiered Systems of Supports (MTSS). The MTSS is designed to identify students' academic, behavioral, and social emotional strengths and weaknesses. The addition of a built-in block for all students to receive the individualized support that they need was also successful. Gains in student scores were seen across the board for Renaissance Spring Benchmarking and Ohio's State Tests.

Not only did we see some amazing things academically, but we introduced a new Social Emotional Learning (SEL) curriculum, Zones of Regulation, and built in an SEL block at the beginning of every day to help create positive learning outcomes. Staff is growing in their understanding and knowledge of Positive Behavioral Interventions and Supports (PBIS) as well. They are combining these approaches to establish an effective learning environment for all. Art instruction was offered to all students during the second semester for the first time in many years!

Summit Academy Community School for Alternative Learners – Canton partnered with Canton Ex-Newsboys Family Assistance, which provided many of our families JCPenney vouchers for clothes and shoes; Total Living Center, which provided food care packages for our families at the holidays; and the Village Network, which continued to provide additional counseling services for students as needed.

Some of the biggest highlights of the school year were:

- Family engagement events including Skating Night, Trunk or Treat, Annual Holiday Program, Bowling Night, Literacy Night, and STEM Night
- Field trips, enjoyed by all, including going to the Akron Zoo and the McKinley Museum and Monument
- Extended Learning Opportunities (after school tutoring) offered in the fall and the spring two nights per week at no cost to our families
- School events including hosting motivational speaker, author, and Massillon native, Cyrus Ausar, Kona Ice, Field Day, School Choice Spirit Week, Martial Arts Promotions, Kindergarten and Eighth Grade Graduations, Bake Sales, Thanksgiving Feast, 100th Day of School, weekly PBIS store and monthly PBIS events

We are so pleased with the hard work and dedication of our students and staff and their continued efforts in making Summit Academy a positive learning environment for our community!

Sincerely,

Tiffany George

HIGHLIGHTS

Our Canton Schools represented Summit Academy with bells on! Students and staff from both schools and administration rode a festive green-and-gold float by Creative Floats of Dover at the HOF parade which took place on Saturday, August 6, in downtown Canton. It was our first year participating in the parade and served as an ideal venue for boosting public awareness for Summit Academy and reaching the community. With Canton Secondary situated ideally on the parade route, staff members also passed out information to interested eventgoers. We even received the Exceptional Merit award from the Canton Repository Grand Pro Football Hall of Fame parade float judges.

Sensei Addressi worked with a kindergartener in preparation for his graduation and promotion. The student is often easily distracted and overwhelmed in the dojo with his peers. Sensei Addressi used Sesame Street characters on the floor to guide him through the katas and then successfully transitioned him to numbers. With time and patience, the student was able to complete his katas and break boards. We are so proud of them!

We hosted many senior citizens on the 100th day of school this year. There were a lot of walkers and canes, grey hair, housecoats, spectacles, hunched backs, strands of pearls, cardigans, and knee highs!

These kids! They make us smile. In the words of Horace, a Roman poet, "Mix a little foolishness with your serious plans. It is lovely to be silly at the right moment!"

100th Day of School!

OUR MISSION

The mission of Summit Academy Schools is to build hope, success, and well-being through education and advocacy for students with special needs.

SPONSOR STATEMENT

The Educational Service Center of Lake Erie West (ESCLEW) served as sponsor for Summit Academy School for Alternative Learners - Canton during the 2022 - 2023 school year. ESCLEW monitored the school's academic and fiscal performance, as well as organization and operation of the school, and determined that the school was overall compliant.

For the Fiscal Years Ended June 30, 2023 and 2022 – unaudited*

* The 2022 financial information was obtained from the FY22 Audited Financial Statements, and the 2023 financial information was obtained from the 2023 FINDET Report. Beginning the 2021 Fiscal Year audited financial statements are being presented using Modified Cash.

STAR ASSESSMENT

Summit Academy students take Star Assessments three times each year to measure their reading and math skills compared to grade-level standards. Their annual growth in these skills is monitored by Student Growth Percentile (SGP) data, which compares a student's academic growth to that of his or her peers nationwide. A student's peers are students in the same grade with a similar achievement history on Star Assessments.

The following data shows the percentage of Summit Academy School for Alternative Learners - Canton students who met or exceeded Summit Academy's SPG target of 40 in reading and math between the fall and spring assessment administrations during the 2021 - 2022 and 2022 - 2023 school years.

PERFORMANCE ACCOUNTABILITY FRAMEWORK: CONTRACT ATTACHMENT 11.6

The Performance Accountability Framework (Attachment 11.6) consists of multiple, measurable goals focused on the academic, financial, and operational expectations for the school year. This document is categorized into five goal areas: local report card indicator areas, school-specific academic measures, operations, legal compliance, and financial accountability.

ACTIVITIES AND PROGRESS FOR ATTACHMENT 11.6 GOALS

The multi-tiered systems of support (MTSS) framework is used for academics, behavior, and social-emotional support in all Summit Academy schools. A joint project of the curriculum and special education regional teams brought school specific collaboration to ensure that school leaders understood MTSS and structured their instructional schedules to maximize MTSS implementation. Implementation support, classroom observations, and feedback are provided by the regional teams.

Our most consistent and detailed MTSS system is the Summit Academy Reading Framework. The framework emphasizes training teachers thoroughly in the science of reading and

appropriate instructional strategies. The framework also ensures that our curriculum materials are aligned to the state standards, support the science of reading, provide diagnostic assessments, and include evidence-based interventions to best meet our students' needs. A curriculum audit has been completed with support from the regional curriculum administrator and new materials were purchased based on the guidelines set in the framework. A Reading Framework Action Plan was also developed, putting measurable goals in place that are focused on increasing our students' reading abilities and overall academic performance.

METHOD OF MEASUREMENT FOR ATTACHMENT 11.6 GOALS

All Summit Academy students are benchmarked (screened) three times each year using Renaissance Star assessments to compare their reading and math achievement to grade-level norms and determine their instructional support needs. The metric used to determine growth in this assessment is a Student Growth Percentage (SGP) score of 40 or higher, which equates to a year plus growth. The testing data helps teachers determine whether students are on track or not on track toward math and reading proficiency, identify reading and math skill deficiencies, measure student growth, monitor student progress, prescreen students who are potentially gifted, and deliver targeted instruction. Following each benchmarking period, teachers will analyze the data collaboratively in Teacher-Based Teams (TBTs) to determine appropriate instructional strategies and intervention support needs for their students.

Summit Academy students participate in Ohio state tests as prescribed. With such a high percentage of students with disabilities, we have found that Star growth data portrays a more accurate picture of student learning than the state report cards. Our students will frequently make a tremendous amount of growth within a year, but since they started so many grade-levels behind their achievement test scores are still lower than grade-level proficient, which gives the perception that the students are failing to learn. Star data provides an objective, detailed basis on which to make decisions about instruction and intervention, prioritizing foundational skills in reading and math, thus supporting students to achieve higher growth and to fill academic gaps that hinder grade-level achievement.

STATEWIDE ACHIEVEMENT REPORT CARD MEASUREMENTS

The Ohio Department of Education has revised the school report card to analyze performance, determining strengths and areas of improvement for each district. The new report card includes five components that will receive ratings from one to five stars. These components are achievement, Progress, Early Literacy, Gap Closing and Graduation. The sixth component, College, Career, Workforce and Military Readiness, was not required in the 2022 - 2023 school year.

ACHIEVEMENT COMPONENT

The achievement component identifies how well students performed on the state tests overall. Student performance is identified through the Performance Index which measures the achievement of every student, not just whether they score a proficient level.

Each test a student takes is assigned an achievement level based on the test score, with higher scores resulting in higher achievement levels.

PERCENTAGE OF MAXIMUM POINTS EARNED	RATING	RATING DESCRIPTION
Greater than or equal to 90% of Max Score	★★★★★	Significantly exceeds state standards in academic achievement
Greater than or equal to 80% but less than 90% of Max Score	★★★★	Exceeds state standards in academic achievement
Greater than or equal to 70% but less than 80% of Max Score	★★★	Meets state standards in academic achievement
Greater than or equal to 50% but less than 70% of Max Score	★★	Needs support to meet state standards in academic achievement
Less than 50% of Max Score	★	Needs significant support to meet state standards in academic achievement

SCHOOL REPORT CARD RATING

PROGRESS COMPONENT

Academic growth is measured by looking at the current achievement compared to prior achievement results on the state tests. This is determined by looking at the growth index and the effect size to see if there was expected growth or a shortfall in expected growth, relative to Ohio.

PERCENTAGE OF MAXIMUM POINTS EARNED	RATING	RATING DESCRIPTION
Growth index of at least +2 and effect size of at least +.2	★★★★★	Significant evidence that the school exceeded student growth expectations by a larger magnitude
Growth index of at least +2 and effect size of less than +.2	★★★★	Significant evidence that the school exceed student growth expectations
Greater than or equal to -2 but less than +2	★★★	Evidence that the school met student growth expectations
Less than -2 and effect size of at least -.2	★★	Significant that the school fell short of student growth expectations
Less than -2 and effect size of less than -.2	★	Significant evidence that the school fell short of student growth expectations by larger magnitude

SCHOOL REPORT CARD RATING ★★★★★

EARLY LITERACY COMPONENT

The Early Literacy Component measures reading improvement and proficiency for students in kindergarten through third grade.

This component provides a more complete picture of early literacy in our schools by looking at three separate areas. 1) The proficiency in Third Grade Reading reports how many students score proficient or higher on the reading segment of the Ohio State Test for English Language Arts for grade 3. 2) The Promotion to Fourth Grade measure reports the percentage of students in third grade who were promoted to fourth grade. 3) The Improving K-3 Literacy measure uses two consecutive years of data to evaluate how well schools are doing at providing support to help struggling readers.

PERCENTAGE OF MAXIMUM POINTS EARNED	RATING	RATING DESCRIPTION
From 88% to 100%	★★★★★	Significantly exceeds state standards in early literacy (K - 3)
From 78% to less than 88%	★★★★	Exceeds state standards in early literacy (K - 3)
From 68% to less than 78%	★★★	Meets state standards in early literacy (K - 3)
From 58% to less than 68%	★★	Needs support to meet state standards in early literacy (K - 3)
From 0% to less than 58%	★	Needs significant support to meet state standards in early literacy (K - 3)

SCHOOL REPORT CARD RATING

GAP CLOSING COMPONENT

There are several measures to determine the gap closing component, which is focused on student subgroups including all students, Asian/Pacific Islander, Hispanic, White/Non-Hispanic, Black/Non-Hispanic, America Indian/Alaskan Native, Multiracial, English Learner, Economic Disadvantage, and Students with Disabilities.

- The Gifted Performance Indicator
- The Chronic Absenteeism Improvement Indicator
- The English Language Proficiency Improvement Indicator
- Graduation Goals by Student Subgroup
- English Language Arts, Math Achievement by Student Subgroup
- English Language Arts, Math Progress (Growth) by Student Subgroup

The indicators to evaluate student performance and academic growth include:

RANGE – PERCENTAGE OF POINTS EARNED OUT OF POSSIBLE POINTS

RATING

RATING DESCRIPTION

From 88% to 100%	★★★★★	Significantly exceeds state standards in early literacy (K – 3)
From 78% to less than 88%	★★★★	Exceeds state standards in early literacy (K – 3)
From 68% to less than 78%	★★★	Meets state standards in early literacy (K – 3)
From 58% to less than 68%	★★	Needs support to meet state standards in early literacy (K – 3)
From 0% to less than 58%	★	Needs significant support to meet state standards in early literacy (K - 3)

SCHOOL REPORT CARD RATING

GRADUATION COMPONENT

The graduation component looks at both the four-year and five-year adjusted cohort graduation rates, determining the percentage of students graduating with a regular or honors diploma. The graduation rates are then multiplied by the state law established weights to determine the component rating

RANGE – PERCENTAGE OF POINTS EARNED OUT OF POSSIBLE POINTS

RATING

RATING DESCRIPTION

Greater than or equal to 96.5%	★★★★★	Significantly exceeds state standards in graduation rates
Greater than or equal to 93.5% but less than 96.5%	★★★★	Exceeds state standards in graduation rates
Greater than or equal to 90% but less than 93.5%	★★★	Meets state standards in graduation rates
Greater than or equal to 84% but less than 90%	★★	Needs support to meet state standards in graduation rates
Less than 84%	★	Needs significant support to meet state standards in graduation rates

SCHOOL REPORT CARD RATING

N/A

COLLEGE, CAREER, WORKFORCE AND MILITARY READINESS COMPONENT

This component is made up of 14 measures that are used to estimate how prepared a school's graduating class is to go on to postsecondary education, enter the workforce, or join the armed forces. The readiness of a graduating class is estimated by calculating the number of students who achieve one or more of the component measure goals. The data will be reported but not rated until that time.
