

4/22/2020

Dear Families,

On Monday April 20, 2020, Governor Mike DeWine made the announcement that Ohio's K-12 students will continue to attend school remotely for the remainder of the academic year. While our school buildings will remain closed, students will still be learning remotely through the last day of the school year. The last day of school will remain the same, Friday May 29, 2020.

I am sure that you share in our disappointment, as we were hopeful to see our students and provide some closure for this school year. We assure you; we will continue providing a variety of assignments and learning activities so that your child's education may continue during the school calendar year. We ask that you please check with your children and make sure they complete these projects, so they stay on track with their education. If you have questions regarding the lesson assignments, please contact your child's school.

We appreciate your support of your child's education during our school closing.
